

# Sydney's high-population outer suburbs are starved of public EV charging

Public EV charging plugs per 10,000 residents, 34 Greater Sydney LGAs (2025)

Source: Transport for NSW public EV charging stations (Data.NSW, accessed 16 Dec 2025); ABS Regional Population 2024-25, ERP by LGA (cat. 3218.0). 'Greater Sydney' = ABS GCCSA (ASGS Ed. 3). Each LGA's plug count divided by its 2025 estimated resident population. Author's own analysis.
